

## Discovering the World of Coffee

Indulge, Compare and Explore

On November 21st, 2013

**Dinner Event:** Join us for a distinctive coffee-inspired culinary experience.

Your adventure will begin with specially selected canapés, followed by a Costa Rican-inspired dinner entrée, and ending with a guided matching and tasting of 8 exquisite desserts and 4 exceptional coffees all for \$59.00. Coffee experts will provide their candid industry insight into the world of coffee.

**The Coffee:** Selected single origin green coffee beans from the America's, Africa, and Pacific will be freshly roasted at Equator Coffee Roasters in Almonte, representing the three (3) key growing regions of the world, and emphasizing the unique characteristics of each coffee.

**The Food:** Will be prepared by our talented Algonquin Students under Chef-Professor Mario Ramsay.

**The Proceeds:** from the event will be used to support [Schoolbox](#), a registered Canadian Charity that helps children access primary education in Central America.
